# Vanity Cabinets

Are you looking for a new bathroom vanity or a complete bathroom renovation? Plus Kitchen Design has everything you need for a successful bathroom renovation. We have a vanity to fit your space and taste, no matter how big or small it is. We also have double vanities for bathrooms where space isn't an issue but plenty of storage is required.

Why stop at the kitchen? You can create a bath that meets your **unique style and storage needs**, too. Plus Kitchen Design specialists will make it easy.

We understand that when it comes to create a **perfectly personalized space**, options are of utmost important. You now have the power to select the ideal vanity configuration that fits your personal style. Simply choose the style of vanity, vanity top, and bowl shape to complete a **look that you love**.

Vanity Styles range from classically ornate to sleek and airy. Color choices range from deep, complex shades to medium, neutral tones to light and tranquil hues. Each vanity top is crafted with care and is available with either an oval or rectangle bowl cutout.

At Plus Kitchen Design, you can interact with every style and finish, create a personalized estimate of your remodeling costs, learn how to properly measure your bathroom, get pro tips from our design team, and even design and see your future space using our **3D visualizer** tool.

Today we provide a wide variety of **quality bathroom products**. We are able to take our customers completely through the process of selecting the right components for their bathroom all the way through installation. Our experienced staff can explain the process and show all the different samples and products which are available. Our goal is to educate our clients and see them through the process.

We have a variety of quality products that range in price to **meet just about everyone's budget**. We feel confident that we can get you the best price around. Come in and experience our comfortable atmosphere and personal service. Our showroom has many samples to look at while you get your questions answered.
